Thoughts from the President

Dear Chatmoss members,

I'm filled with mixed emotions as I write my final letter to you as president of our club. It's been a busy two years since I took office. Many issues arose and had to be dealt with. Many of those were unexpected. Most of those have been resolved. However, there are several hurdles still to cross. That's one reason I'm excited to turn the reins over to Richard Lawhon. Richard, like myself, is a long-standing member of the club and has a huge heart for Chatmoss. He's well qualified and will do a great job as the new president!

Richard is already putting some committees together that will study, examine and recommend plans to take our club in to the future. Please step up, if asked, to serve in whatever capacity needed. We have a great slate of new board members on the docket for the upcoming year. We'll be asking for their approval at the Annual Stockholders meeting to be held on March 10 at 5:30 in the ballroom. Please attend if you have the opportunity. If you can't make it in person, please send in your proxy card so your vote can be counted.

It's very easy to become attached to such a fine staff like we have at our club. Especially when you work so closely with them over a two-year term as president. I'll miss the close interaction with them but they'll continue to see me on a regular basis. I know Jamie Turner, our past Special Events coordinator, will have moved on by the time this letter is published but I can't help but mention her. Jamie came to Chatmoss as a very hard-working young woman and grew with us for 14 years. Her delightful smile, youthful bounce in her step and her willingness to please the membership will be remembered and missed. She planned or helped plan many memorable weddings and events at the club. She was good at it. She was invaluable to me in the beginning of my term when we didn't have a manager. I know all of you will join me in wishing her the absolute best in her future endeavors.

As all of you know, (all who've bothered to read any of my letters or have conversations with me) I'm a huge fan and supporter of Chatmoss Country Club. I can't express enough of my gratitude for all of the support I've received from the board, the membership, the staff and professionals. I appreciate it more than you realize. I thank each of you and beseech each of you to show the same support to Richard and the "new" Board of Governors.

My final thanks goes to our club manager, Michael Bummel. When we brought Michael to Chatmoss, he had not yet held the title of General Manager. He was a highly recommended assistant manager. We saw in him, the potential of being an excellent manager. His impeccable character and honesty were impressive and extremely important traits. We felt that Michael was someone we could grow with and help mold into a fine General Manager. Michael is a top quality individual and has a very pleasant demeanor and is professional to work with. Overwhelmingly positive responses still come in from the membership about him. After 17 months, Michael is proving to me that he is indeed turning into the club manager we hoped for and needed. As he continues to season and mature as our General Manager, please continue your positive support of him.

As Chatmoss Country Club moves into the future, we'll continue to face challenges. We will continue to rise up and meet those challenges. A dedicated and caring membership is helpful. A hard working Board of Governors is necessary. Finally, a supportive staff, Manager and professionals are needed for the continuing vitality of any club. I'd like to thank every one of you for your continued support of Chatmoss Country Club.

Spring is right around the corner and I for one can't wait for it to get here! I hope to see each you at the club soon. Please take care and thank each of you for the honor, privilege and pleasure of serving as your club president.

Sincerely,

John K. Collins

P. S. Thought for the day - "Say what you mean, mean what you say, just don't say it mean!"

Comments from the General Manager

Spring is rapidly approaching and we were fortunate to have a relatively mild winter here in Southern Virginia. I've seen many golfers take advantage of the warmer weather but I am sure that most of you are looking forward to the greener spring. Jody and his crew are already gearing up for the spring season.

The new Chatmoss website has gotten rave reviews from the membership. If you haven't done so already, take a few minutes to peruse the site and stay current with Chatmoss activities throughout the month. www.chatmosscc.org

Napa vs Sonoma will be the kickoff wine dinner for 2015. Scheduled on Saturday, March 28th the dinner will explore the differences between the two most popular regions in California. Chef Joe promises a memorable dinner to compliment these fine wines.

In April, we will take a trip to South America and taste some wines from Argentina and Chile. Mark your calendars for Saturday, April 25th to learn more about the dark currant and raspberry flavor of the Malbec grape.

There is no better time than the warmer weather to take advantage of the Chatmoss Fitness Facility. Call the tennis center today to schedule a lesson with Mike or Cordie. After that match or lesson might be a great time for a massage or facial.

On a sad note, the end of February was Jamie Turner's last month here at Chatmoss. I have only had the pleasure of working with Jamie for less than two years. Early last year, I promoted her to Event Director, a job which she took on with a great deal of enthusiasm. Last year was a banner year for weddings and a great deal of the success of these events was due to Jamie's knowledge and attention to detail. I wish her the best in her new endeavor and I expect to hear great things in the future from her.

On the first Sunday in April, the Easter Bunny will make his yearly trip through Chatmoss. Make your reservations early for the Bunny Breakfast on Saturday, April 4th and Easter Sunday Brunch the following day.

As a first time General Manager, I could not possibly have asked for a better President to work with and I sincerely thank John Collins for his patience, understanding and guidance. I look forward to this coming year and working with Mr. Lawhon and the new board.

At your service,

Michael Bummel
General Manager

Thank You!

Thank you to Chatmoss Country Club members and fellow employees it has been a pleasure serving the Chatmoss membership for over 14 years. I have gained an enormous amount of knowledge for which I will always be thankful to my Chatmoss "family". In closing, I will quote one of my favorite authors Dr. Seuss "Don't cry because it's over, smile because it happened".

Happily Ever After,
Jamie Turner

On St. Patrick's Day, March 17, we will conduct our first golf event of the season. This event has been dubbed the "Going Green Golf Event," featuring a fun round of golf and a celebration of St. Patrick's Day after the round. A captain's choice format will be used, with women and men of all skill levels encouraged to participate.

The Men's Golf Association will host the 55th Chatmoss Invitational on Saturday, April 4 and Sunday, April 5. Please note that Sunday tee time considerations will be made for those involved in Easter services.

The Ladies Golf Association (LGA) will have their Opening Luncheon on Thursday, April 9. This event is open to all ladies, especially new golfers thinking of starting the game. Contact information will be exchanged, so that all can be apprized of future activities.

The LGA Spring Clinic will take place on Thursday, April 23. All ladies are invited to attend, and hopefully we can build on the momentum from a successful 2014.

March has arrived and hopefully springtime is on its way. This winter has been fairly mild on average but we have certainly seen some periods of bad weather. What has seemed like a wet winter has actually been fairly dry. It just happened that every time we got any precipitation it has been warm enough that normally frozen ground stayed mushy a good bit of the time. As I write this however we are in a deep freeze with 4-8" of snow forecast this evening. We'll have to wait and see, but if snow does hit it will be here for some time, as the temperatures forecast for the next week are really cold. Let us hope this is winters way of going out with a bang.

Most of our time this winter we have focused on tree removal that was detailed in our report from Dr. Yelverton. Initially we have focused on the ones we could remove without outside assistance as we found firm enough conditions to work in. We need about 4-5 days of work alongside a tree service to complete removal of some other important trees. We will turn to this after getting through this bout with winter weather. Quite a bit of time we have spent removing downed limbs and trees to keep the course playable following very windy days.

We have almost completed some drainage repair on number 15 recently. We had to replace about 40' of pipe and install a catch basin on the right side of the hole. We also added about 20' of pipe on the left side of the hole to take the water into the woods. We will look to start on the drainage work needed on number 10 after we complete 15.

Inside we have had one major repair internally on one of our tractors that is our primary rough mower. The P.T.O. required service which luckily hit at the end of leaf season and not at the beginning of the mowing season so we had time to do the work in house. Hopefully this unit can get through another season.

Our first event of the year, the Invitational will be April 4th and 5th. We will be working to prepare this month and will aerate greens one week after on Monday April 13th.

Golf Course Superintendent

Tennis

It has been a great winter at the Tennis Center. Our players have had lots of activity and play, taking advantage of the great indoor facilities. If you are on Facebook and would like to follow us to see updates on activities, please search for Chatmoss Tennis and like us. Updates are also forwarded to the club Facebook page, so you can check there as well. We send out a weekly email update on Sunday that includes a preview of the week's events in both Tennis and Fitness. If you are not receiving this, please call the pro shop at 632-1857 and let Judy know that you would like to receive this email.

Our calendars are busy in the upcoming months, as we finish indoor play and transition to outdoors. We do not have a date that we will be opening our clay courts, but we target Monday, March 30, as our opening day outside. As always, Mother Nature has a big say in our ability to do this, so it may be sooner or later based on the weather, but we will be outside working as soon as the weather allows us. With newly surfaced courts, they can be soft early in the season, particularly after rain. If the courts feel soft to the touch or you are unsure of their playability, check with us in the pro shop as to their condition. If you are playing outside and need to come indoors, please use our tennis two step outside the pro shop entrance to clean your shoes and keep the clay out of our indoor courts.

Calendar of Events

Fitness Center

We have had a very busy first two months of the year. Between group classes and personal training, it has been great to see so many friendly faces. When coming to work out, please make sure that you sign in; and if you have a guest with you, make sure you sign them in with you. Remember the guest fee is \$10.00 per visit. After working out, please wipe down all the equipment you used and replace any weights back on the racks. If you have not signed a release form for the fitness center, please stop by the pro shop and we will give you the form to complete. On Sundays, we send out an email previewing the events for the week. If you are not receiving these emails, please call the pro shop at 632-1857 and let Judy know, so she can set you up to receive these notifications. The Fitness Center also has a Facebook page. You can check us out at Chatmoss Country Club Fitness and like our page.

We are doing the walking club again this spring. We want to encourage everyone to get out and be active. The time frame for the club is April 13 to May 21. Sign up for this event in the tennis pro shop. We will be keeping track of your progress by taking your walking/running totals each week. Walking and running on a treadmill elliptical are all acceptable forms of exercise. Biking cannot be added to your total. As it was last year, everyone is on the honor system, and we look forward to everyone having a great time exercising.

If you are interested in class times and instructors, please check the website and our printed calendar with schedules. We look forward to seeing everyone out enjoying the improving weather and get moving.

Gratefully,

Serving It Up From Chef Joe

With warmer temperatures & longer days in the near future, the social committee & staff have been hard at work planning events to keep you as busy as possible at Chatmoss.

The month of March has much to offer with Small Town Orchestra playing on St. Patty's Day and Surf & Turf Night on the 21st. Make sure to check your calendars, so as not

to miss out on all the fun.

Then we hop right into April with Bunny Breakfast, Easter & The Chatmoss Invitational. Be sure to make those reservations, as this is one of our busiest times of the year.

In closing, the staff and I are dedicated to making your moments at Chatmoss memorable ones. If there are any special request, dietary needs or allergies, please feel free to call ahead, so that we may make your experience here the best it can be. And, as always, we appreciate any feedback, comments or suggestions.

Thank you,

Chef William "Joe" Lilly
